PRESIDENT: Roll call. Indicate your presence. Please indicate your presence. We need seven more. Please indicate your presence. That is right, we can't with 22. That still isn't a quorum. Lets send one of the Pages and get Public Health, tell them that we need a quorum. Indicate your presence. Call the roll. Clerk will record.

CLERK: Quorum present Mr. President.

PRESIDENT: Do you have any reports.

CLERK: Committee report Mr. President. Read report regarding LB740.

PRESIDENT: We left off at what? We were in the midst of one of them. I think that we were in a debate on....I think that Senator Luedtke had a debate going on whether to place the bill on....yeah. Senator Carpenter.

SENATOR CARPENTER: Obviously we don't have enough members here to do much of anything. Certainly not enough to get 30 votes. PRESIDENT: Senator Lewis.

SENATOR LEWIS: Mr. President some of the members of the Public Health and Welfare committee some of them will be coming in too, we have about finished our hearing on the bill over there.

PRESIDENT: May the Chair inquire as to how soon you think they will be ready?

SENATOR LEWIS: Within 20 minutes.

SENATOR CARPENTER: Mr. President, I move that we recess for 20 minutes.

PRESIDENT: Do you want to ask unanimous consent.

SENATOR CARPENTER: Unanimous consent.

PRESIDENT: Are there any objections to recessing for 20 minutes? At ease for 20 minutes or until they come in. Will the Senators please take their seats please. Senator Luedtke made a motion to place a bill at the head of General File and that is before us at this time. As I recall it was objected to for unanimous consent, wasn't it? So did you make
